Architecture, Design and Planning.

To scale great heights, a firm foundation is the most fundamental requirement. At the Architecture & Design and Planning Department of Karpagam Academy of Higher Education, this is the philosophy that drives us to build a strong base for our students and allows them to reach the skies. The expertise of Internationally acclaimed architects as guest faculty and the internships in eminent Architectural firms makes our students don't just get an education on high rise buildings, they also learn how to rise high.

The Architecture Design and Planning Department is well equipped with necessary infrastructure such as Design Studios, Classrooms, Lecture theaters with Audio-Visual equipments, Library and Material museum, Computer laboratory, Workshops, etc. In addition, students utilize the Central Library, Auditorium, Seminar halls, Canteen and Sports facilities regularly. There are separate hostels for boys and girls within the campus.

EVENTS AND WORKSHOPS

WORKSHOPS

The Department encourages students to participate in hands-on workshop which gives them a practical knowledge of the subjects. Some of the workshops are organized within the department. Students are also taken to onsite workshops such as LBC, Trivandrum and IIT Kanpur.

KOLAM

Architectural Carnival hosted every year by the Architecture Design and Planning Department is graced with the participation of other architectural colleges of South India.

NASA

Being a member college for the past 9 years, Architecture Design and Planning Department uplifts students to participate in the National Association for Students of Architecture (NASA) which is the largest student body in Asia. Healthy competitions are encouraged among the students on various technical and non technical platforms.

CHAKRA

Interstate level flood light cricket tournament hosted by the Architecture Design and Planning Department annually has been the student's favorite sport.

INTERNATIONAL COLLABORATIONS

The Department with its vivacious staff with education from various International Universities have encouraged and exposed the students to global design culture through international **study abroad programmes** at Italy, USA, UK and Dubai.

MOAIC & MAG LETTERS
